Dear Elizabeth,

On behalf of Feeding South Florida and those that we serve we would like to extend a heartfelt thank you for the generosity of spirit that you and your team at Dell and Schaefer have displayed during your 2010 food drive. The commitment and effort of your firm and associates helped to contribute over **947** pounds of food that will provide over **630** life saving meals to those who are hungry in our community.

By taking an active role in providing the most basic of needs, food, the team at The Dell and Schaefer Law Firm help us support programs that directly reach out into our community on a daily basis. Donations such as this will help us serve the over 690,000 individuals, 214,000 of which are children, who are in need of food assistance. Programs that provide prepared food to the elderly and home bound, after school snack programs and backpack programs and mobile food pantry trucks that take much need food directly into the community are just a few of our ongoing programs.

Through the support and generosity of so many, Feeding South Florida distributed over 24 million pounds of food last year and helped over 1 million people. I am personally committed to this fight to end hunger and feed hope in my community and I look forward to the continued partnership with you and The Dell and Schaefer Law Firm.

Thank you again, it was a pleasure to work with you.

With Best Regards,
